STUDENT PRESIDENT ELECTION

JAKE O'BRIEN

Listen: I will ensure every student's voice is heard. Drop-in-sessions 3x per week, online surveys, and Q&A panels with management will make sure concerns are raised and acted upon.

Act: I will improve daily life at Cadbury: several charity events throughout the year for a student elected charity, introduce more seating outdoors and larger touch-free bins in the canteen, and I will fix the campus-wide Wi-Fi nightmare.

Deliver: I will turn promises into results. An on-site Sandwell representative will speed up change, and I will regularly report back to students. This is not about promises—it's about getting things done.

VOTE FONTANE FOR FUTURE PRESIDENT

FOR YOUR FUTURE. PUT YOUR CONFIDENCE IN ME. TO USE MY CONFIDENCE FOR YOU.

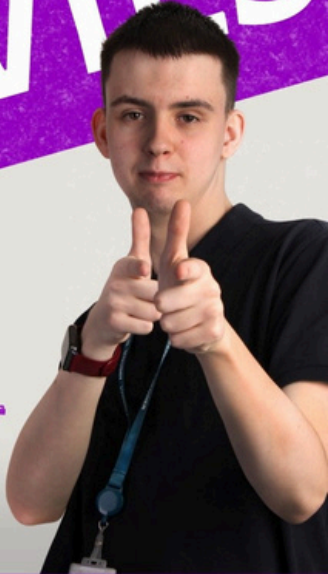

- MORE SOCIAL EVENTS -
Not enjoying college yet? I hope to ensure students stay connected alongside their learning experience at Cadbury by hosting more events and keeping us engaged.
- STRONGER REVISION SUPPORT
Knowing how to revise correctly is important, and gaining support when you don't understand how can feel embarrassing for student. My goal is to allow us students a safety net to rely on when classroom support doesn't go all the way.
- TRIPS & OPPORTUNITIES
The path after College can be scary, but with the right experience before you leave, you can have clear goals and steps towards your future, and change your mind if needed. Giving valuable experience to students is a very important goal I am to achieve during my presidency.
