HALLOWEEN AT CADBURY

The Cadbury Student Union members successfully organised a Halloween Movie Day, providing learners with an opportunity to come together and enjoy a film during their lunch break. The event attracted an excellent turnout, with over 60 learners attending throughout the session.

It was particularly encouraging to see staff members getting involved, with some teachers bringing their classes along to enjoy the experience together. The event created a fantastic atmosphere, encouraged student engagement and provided a fun opportunity for learners and staff to socialise outside the classroom.

Overall, the event was a great success and demonstrated the Student Union's initiative in organising inclusive activities that bring the college community togethe - this is definitely an event we would like to bring back next academic year, with the potential to make it even bigger!

BLACK HISTORY MONTH RECAP

Throughout October, recognised as Black History Month in the UK, a range of events and activities took place across our colleges to celebrate Black culture, heritage, and achievements. Awareness stalls were held at **Sandwell College** and **Cadbury Sixth Form College**, focusing on sickle cell awareness and providing students with valuable information and supported by **Race Against Blood Cancer** and **Oscar Birmingham** charties. Members of the **Student Union** also organised a variety of engaging activities, encouraging students to get involved and learn more about Black history and culture.

The celebration at Sandwell College was a huge success, with students enjoying live music from **DJ Holy,** delicious African and Afro Caribbean foods, and a vibrant atmosphere. The event brought students and staff together to celebrate diversity, creating a memorable and enjoyable experience for everyone involved
